STEPS:

- We have created the first page already and add the title as Summary.
- Take a new page and add the slicers from the summary page to the new page
- Create two more slicers for time band and age profile.
- Take a matrix visual and add archive date to the rows and keep only year and quarter.
- Add total and case type to the columns.
- Create a visual tool tip with both clustered column and a card.
- In summary page select the line chart and add the tooltip created to the visual.
- Establish the page navigation using the button.
